

LifeBridge Church – “Christmas in a Barn” Review

Our first Christmas as a church was a unique one – we decided to go “authentic” and actually celebrate the birth of Christ in a BARN. After all, Jesus was born in a barn, so why not get back to the basics of what it is all about.

WOW, were we overwhelmed with the response! The barn was packed and filled to overflowing, we ran out of chairs and songsheets, and there simply was no room left! But you know what, it didn’t matter. Everyone left there that night rejoicing over the true meaning of Christmas – Christ is Born!

The next BIG celebration that we often mark is Easter, when Jesus died and rose again for the sins of the world. We’re not sure exactly how we’ll celebrate that, but we hope to do something similar to what we did for the Christmas service. Something real. Something basic. Something simple.

In the mean time, there’s a lot of stuff that happened in the life of Jesus between Christmas and Easter. We’re going to use the next three months to spend some time looking at Jesus Christ – Who He Is . . . What He Taught . . . Why He Matters. No matter how much or how little you know, we’d love to have you join us as we all look to grow in our relationship with God. Life’s too short not to.

LifeBridge is a brand new church that is just getting started here in Cypress, so this is a safe and easy time to get connected. Everybody is new! We are currently meeting in the cafeteria of Warner Elementary School., which is 2 ½ miles south of 290 off Fry Rd, right behind Cy-Ranch High School.

Please come join us on Sunday mornings from 9:30-11:00
